

Cipher Mining Provides First Quarter 2022 Business Update

May 10, 2022

Began Bitcoin Mining in February 2022

Reaching Significant Milestones for Build Out Plan

NEW YORK, May 10, 2022 (GLOBE NEWSWIRE) -- [Cipher Mining Inc.](#) (NASDAQ: CIFR) ("Cipher" or the "Company"), a U.S.-based Bitcoin mining company, today announced results for its first quarter ending March 31, 2022, along with an update on its operations and deployment strategy.

"Our first quarter was marked by significant milestones, including the start of rig installation and mining of our first bitcoins," said Tyler Page, CEO of Cipher. "I am pleased to say we are meeting our goals, and we are scaling quickly as we continue to build Cipher into a leading U.S.-based Bitcoin mining enterprise."

Operations Updates

- Began Bitcoin mining in February at its first data center at Alborz.
- First 0.3 EH/s (2,949 mining rigs) installed at Alborz facility.
- 400 PH/s added to 2022 delivery forecast, bringing new Cipher hashrate forecast to 7.5 EH/s of equipment scheduled for delivery in 2022, with a highly efficient machine fleet averaging 32.1 J/TH.
- Four sites in development with an expected 275 MW of power availability by the end of 2022.
- Cipher's weighted average power price is 2.73 c/kWh and anticipated weighted average cost for mining rigs is expected to be \$45.01 per TH/s.
- Closed \$46.9 million debt financing for Alborz from BlockFi Lending LLC on May 2, 2022.

Forward Looking Statements

This press release contains certain forward-looking statements within the meaning of the federal securities laws of the U.S. The Company intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and includes this statement for purposes of complying with these safe harbor provisions. Any statements made in this press release or during the business update conference call that are not statements of historical fact, including statements about our beliefs and expectations regarding our performance, strategy, expansion plans, future operations, future operating results, projected costs, prospects, plans, and objectives of our management, are forward-looking statements and should be evaluated as such. Forward-looking statements include information concerning possible or assumed future results of operations, including descriptions of our business plan and strategies. These forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "forecast," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions (including the negative versions of such words or expressions).

These forward-looking statements are based upon estimates and assumptions that, while considered reasonable by Cipher and its management, are inherently uncertain. Such forward-looking statements are subject to risks, uncertainties, and other factors that could cause actual results to differ materially from those expressed or implied by such forward looking statements. New risks and uncertainties may emerge from time to time, and it is not possible to predict all risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to: volatility in the price of Cipher's securities due to a variety of factors, including changes in the competitive and regulated industry in which Cipher operates, variations in performance across competitors, changes in laws and regulations affecting Cipher's business, and the ability to implement business plans, forecasts, and other expectations and to identify and realize additional opportunities. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of our Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") on March 4, 2022 and in Cipher's subsequent filings with the SEC including Cipher's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission ("SEC") on May 10, 2022. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Cipher assumes no obligation and, except as required by law, does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
